Ms. Grubaugh-littig,

RE: Appendix 7-M, Seep & Spring Inventory, Bear Canyon Mine,
Co-Op Mining Company, ACT/015/025-92T, Emery County, Utah

#2

Enclosed are two copies of a proposal to incorporate baseline data taken from seep and spring inventories made by Co-Op into the MRP. The purpose of this submittal is to present baseline data already obtained, and to propose a monitoring matrix of the springs located in and around the Federal Lease areas held by Co-Op. Plate 7-4 has been updated to show the locations of springs found in the area (revision 3). Revisions 1 and 2 of Plate 7-4 apply to submittal 92S, the addition of the underground monitoring wells to the monitoring matrix. Copies have been marked DRAFT to distinguish them from previously approved pages and plates. If you have any questions, please call Charles Reynolds at (801) 381-2450. Please notify Co-Op upon approval, and three finalized copies will be sent to the Division.

Thank You,
